Welcome from the IABTI and welcome to;

Second District of Americas / Mexico Chapter Meetings & Exposition

As the Region VII Director of the International Association of Bomb Technicians and Investigators (IABTI), I invite you to the Second District of Americas / Mexico Chapter Meetings & Exposition being held in Polanco, Mexico City March 27th to the 29th 2017. Once again, we bring together IABTI members and exhibitors.

Once again, the general theme of this year's conference must continue to be "The Challenges Ahead – Meeting the Mission in an Era of Uncertainty", as it pertains to interoperability within the Explosives Disposal Community. The conference program will consist of plenary lectures, symposia, and oral sessions with PowerPoint and DVD presentations. This prestigious event is Canada's largest as it pertains to the CBRNE, EOD / EDU community.

This In service Training Event & Expositions is committed to bringing its participants the best training, tools, equipment and networking the industry has to offer.

Those of you attending will witness internationally recognized experienced and respected speakers from a variety of CBRNE related backgrounds, view exhibits of state of the art equipment as it pertains to bomb disposal and investigation, making contact with members of the EOD and Investigative communities.
