

Region III Donated Bomb Suits Delivered to Philippine Navy

Four bomb suits were recently donated to the IABTI by Region III members, and two of them were delivered to the Philippine Navy.

The suits came from the following organizations: Peoria, IL Police Department/Dave Rodgers, Independence, MO Police Department/George Parks, and Chicago, IL Police Department/Mike Gehardstein (2 bomb suits).

After clearing the export channels, SABB Kevin Miles, FBI Los Angeles, managed to have two of the suits delivered to the Philippine Navy, the subject of the photo at right.

IABTI currently has several other commitments to donate suits. If you would like to donate equipment to the IABTI, please contact the International Business Office.
