

For Region One RIST supporting vendors.
Region One RIST, Las Vegas, 21-24 Oct 2019.

EOD Tech Partners: Sticking with our schedule from last year, setup at the hotel is on Monday with evening vendor time on that Monday. Any sponsorship help for that evening is welcome. The space is a standard hotel conference center with outlets available, table and two chairs provided. The main static display will be Tuesday during classroom portion of the training, class is in the adjoining room.

Breakdown is that evening (Tuesday). There are opportunities to support training at the field sites on Wednesday and Thursday, to include disruptor and explosive disruption opportunities, as well as bomb suite, x-ray, hook and line and all the bomb disposal tool kit items.

We tentatively have the Regional dinner scheduled for Tuesday. Of course, any additional support and sponsorship is welcome. Chapter Director and host Shon Saucedo is still filling in the details on the event, so please contact him and his team if you have particular things you would like to do or know about. His email is ssaucedo@lasvegasnevada.gov.
